SENCER Summer Institute (Optional)	Late July/Early August 2015	Information to be announced.
<b>The current end date for the SENCER-ISE NSF Grant is August 31, 2015. NCSCE intends to apply for a no-cost extension to allow partnerships to fulfill third year of the sub-award*.</b>		
Individual Partnership Call <i>Or</i> WebEx Meeting	Late September/October 2015 (tentative, contingent on NSF approval of a no-cost extension for the SENCER-ISE grant, and dates of the National Meeting)	Either individual partnership calls, or a group WebEx meeting will be scheduled during this time. The form of the update will be based on need.

\*As stated in the Memorandum of Understanding, signed in May 2013, “If the team does not exhaust the funds by the end of the grant period (August 31, 2015) the funds must be returned to the National Center. In the event that the National Center for Science and Civic Engagement receives a no-cost extension from the National Science Foundation on the SENCER-ISE grant (DRL-1237463,) the partnership’s end date will be adjusted to match the agreed upon end date between the National Center and the National Science Foundation.”
